I. COLLEGE RESPONSIBILITIES

- The College will have current accreditation by any required accrediting body.
- The College will have overall responsibility to supervise its students during the clinical rotation experience at the hospital, including evaluating the student. Supervision may include having Faculty onsite depending upon the experience level of the student and upon agreement with the hospital.
- The College will provide its Faculty offsite for the overall supervision of the student; however, the direct clinical supervision of its undergraduate nursing students will be performed by a preceptor. This type of supervision is only available by mutual agreement when the Facility agrees to provide on-site clinical supervision. In such circumstances, an appropriately credentialed individual by the Facility will provide on-site supervision. The student's Faculty member will be responsible to complete the student's evaluation.
- The Student Nurse Intern Program will be clinically supervised by Facility preceptors. The preceptor may or may not participate in the evaluation of the student.
- If the student is in a graduate nursing program, Facility preceptors will clinically supervise advanced nursing clinical rotations.
