disability, status with regard to public assistance, or inclusion in any group or class against which discrimination is prohibited by federal, state, or local laws and regulations

### III. MUTUAL RESPONSIBILITIES

- G. The College and the hospital assume joint responsibility for the orientation of the College faculty to hospital policies and regulations before the College assigns its faculty to the hospital.
- H. Communication to keep both parties and the parties' personnel who are assigned to the clinical experience program informed of changes in philosophy, policies and any new programs, which are contemplated;
- I. Communication about jointly planning and sponsoring in-service or continuing education programs (if appropriate);
- J. Communication to identify areas of mutual need or concern;
- K. Communication to seek solutions to any problems which may arise in the clinical experience program; and
- L. Communication to facilitate evaluation procedures which may be required for approval or accreditation purposes or which might improve the College curriculum.

### IV. REQUIREMENTS OF STUDENTS

- B. Each student will be required, as a condition for participation in the clinical experience program, to submit the results of a health examination to the College and, if requested, to the Hospital, to verify that no health problems exist which would student or patient welfare. The health examination shall include an update of required immunizations.

### V. EMERGENCY MEDICAL CARE AND INFECTIOUS DISEASE EXPOSURE

- D. Any emergency medical care available at the hospital will be available to College faculty and students. College/University faculty and students will be responsible for payment of charges attributable to their individual emergency medical care at either the Hospital or the College.
- E. Any College/University faculty member or student who is injured or becomes ill while at the hospital shall immediately report the injury or illness to the hospital

- N. If the student is in a graduate nursing program, Facility preceptors will clinically supervise advanced nursing clinical rotations.
- O. The College faculty will be responsible for planning, directing and evaluating the students learning experience.
- P. The College will provide the Facility with a list of the students who are participating in the clinical experience program, the units' locations within the Facility where they are assigned, and the dates of each student's participation in the program.
- Q. The College will inform its faculty and students of the hospital policies and regulations, which relate to the clinical experience program at the hospital. This includes notifying faculty and students that they will be required to sign a patient confidentiality statement.
- R. The College will maintain a record of students' health examinations and current immunizations and shall obtain student permission to submit data regarding their health status to the Facility.

## II. HOSPITAL RESPONSIBILITIES

- F. . The Hospital will provide the College with a copy of its policies and procedures, which relate to the clinical experience program.
- G. D. The hospital will permit the College faculty and students to use its patient care and patient service facilities for clinical instruction according to a mutually approved plan.
- H. . When available, physical space such as offices, conference rooms and classrooms of the hospital may be used by the College faculty and students who are participating in the clinical experience program.
- I. The hospital assumes no responsibility for the cost of meals, uniforms, housing, or health care of College/ faculty and students who are participating in the clinical experience program. The Facility will permit college faculty and students who are participating in the clinical experience program to use any cafeteria on the same basis as employees of the hospital.
- J. . The Hospital recognizes that it is the policy of the College to prohibit discrimination and ensure equal opportunities in its educational programs, activities, and all aspects of employment for all individuals, regardless of race, color, creed, religion, gender, national origin, sexual orientation, marital status, age,

and receive treatment (if available) at the hospital as a private patient or obtain other appropriate treatment as they choose. Any hospital or medical costs arising from such injury or illness shall be the sole responsibility of the College faculty member or student who receives the treatment and not the responsibility of the hospital.

- F. The hospital shall follow, for College faculty and students exposed to an infectious disease at the hospital during the clinical experience program, the same policies and procedures, which the hospital follows for its employees. Any hospital or medical costs arising from the exposure shall be the sole responsibility of the College faculty member or student who receives the treatment and not the responsibility of the hospital.

## VII. TERM OF AGREEMENT

- C. This Agreement is effective on February 1, 2023, and shall remain in effect for one year and shall thereafter automatically renew for successive one year periods until terminated. Either party may terminate this Agreement at any time upon 11 (Months) written notice to the other party.
- D. Termination by the Hospital shall not become effective with respect to students then participating in the clinical experience program.

## I. COLLEGE RESPONSIBILITIES

- The College will have current accreditation by any required accrediting body.
- The College will have overall responsibility to supervise its students during the clinical rotation experience at the hospital, including evaluating the student. Supervision may include having Faculty onsite depending upon the experience level of the student and upon agreement with the hospital.
- The College will provide its Faculty offsite for the overall supervision of the student; however, the direct clinical supervision of its undergraduate nursing students will be performed by a preceptor. This type of supervision is only available by mutual agreement when the Facility agrees to provide on-site clinical supervision. In such circumstances, an appropriately credentialed individual by the Facility will provide on-site supervision. The student's Faculty member will be responsible to complete the student's evaluation.
- The Student Nurse Intern Program will be clinically supervised by Facility preceptors. The preceptor may or may not participate in the evaluation of the student.
- If the student is in a graduate nursing program, Facility preceptors will clinically supervise advanced nursing clinical rotations.
